

DEFCOM INDIA 2014 - 17-18 November 2014, New Delhi

Corps of Signals, Indian Army and Confederation of Indian Industry (CII) are jointly organising DEFCOM INDIA 2014 on 17 - 18 November 2014 at New Delhi. Indian Industry, Academia, luminaries from R&D Organisations & Defence officials will assemble to discuss technological challenges and suitable solutions meeting the Communication requirements of the Defence forces. The objectives of DEFCOM are to provide participants an insight into adaptation of existing commercial technologies & solutions for battle space requirements of Indian Defence Forces and to identify business patterns, buyers & exporters, investment opportunities, trade partners and technology transfer opportunities.

Officials from the Indian Armed Forces, Para-Military Forces, State Police and other Security Agencies, officials from concerned Departments and Ministries, Scientists from DRDO, CSIR and ISRO, Academicians, members from strategic community & think tanks, representatives of Indian and foreign companies can participate.
