Press Release

National Teachers' Congress (NTC)

The MIT World Peace University, Pune, along with the active support of Government of Maharashtra is organising the third National Teachers Congress (NTC) in Pune from January 04-06, 2019.

National Teachers' Congress (NTC) is an apolitical platform connecting spirited teaching fraternity through India's largest convention of 8000 teachers of undergraduate and post graduate colleges of India and teachers of Indian origin living abroad.

Several institutions of like, All India Council for Technical Education (AICTE), Association of Indian Universities (AIU) and UNESCO have also rendered their support and association in this thoughtful mission.

The objective of this Congress will be:

1. To create a bridge between faculty across the globe at the under-graduate and post-graduate levels.
2. To create a platform for like-minded faculty for bringing creative and positive change in the society.
3. To inspire the faculty to create future leaders of the world.
4. To discuss and to create an environment of reaching out where it moves from teaching to mentoring.
5. To promote international and regional understanding, intercultural dialogue and diversity of ideas and practices.
6. To discuss, deliberate and find solutions on issues of education and allied sectors.
7. To inculcate the best suitable value system in the young minds of the world.
