Reverse Buyers Sellers Meet for Mangoes & seasonal Fruits & Vegetables

29-30 May 2019, Mumbai and 13-14 June 2019, Lucknow

The Agricultural and Processed Food Products Exports Development authority (APEDA), Government of India is organising a 'Reverse Buyers and Sellers Meet' for Mangoes and seasonal Fruits and Vegetables on 29-30 May 2019 in Mumbai and 13-14 June 2019 in Lucknow. India is the second producer of fruits and vegetables in the world. About 100 varieties of mangoes are grown in India and India exports mangoes to more than 60 countries in the world including USA, Japan, and South Korea etc.

The organisers would be extending complimentary travel and local hospitality services to selected foreign participants. If interested, please send your expression of interest for attending the event by sending an email to com.melbourne@mea.gov.in
