Press Release

Indian driver licence

A new process has been put in place for Indian driver licence holders seeking driver licence from VicRoads on the basis of their Indian licences.

VicRoads would not ask for the Indian Driver Licence Verification (IDLV) certificate issued by the Indian Consulate at Melbourne (CGI Melbourne), at the first instance. Therefore, the applicants should contact VicRoads directly for conversion of Indian Driving Licence to Victorian Driving Licence.

VicRoads may seek the verification certificate in cases of doubt regarding the authenticity of the (Indian) license. Such cases would be referred to CGI Melbourne for detailed verification for issue of IDLV certificate by VicRoads.

Hence a routine request for IDLV certificates may not be made/filed with CGI/VFS Melbourne.
